## **NDOA Members Recital**

### **Letter from the Chair**

Firstly, I would encourage all of you to come and participate in the AGM.

This is a good opportunity to socialise with fellow members, to let your wishes be known and be discussed by all present, and to vote for the various officers of the association. From the point of view of the committee, it provides the confidence and authority to us that we are providing the events that you want and to make any changes that the majority would support.

Secondly, for the 2023 AGM and Recital, I thought some home grown entertainment and fun would seem like a good idea. Therefore instead of a single recitalist I am proposing that as many members that wish to contribute to the programme.

You will see from the proposed timetable that I have split the Members Recital into 2 parts.

I am asking for all members that would like to play to let the secretary know by the 20th February 2023 :

what you would like to play, and preferably also a reserve piece just to make sure we do not get the same pieces and to make sure everyone that wants to gets a chance to play.

The aim is for a maximum of 5 mins each, and for in particular, a favourite or fun piece/s not often played at services or formal recitals.

During the Tea break I am putting together some other activities to entertain us.

I look forward to seeing you all, and hopefully hearing many of you play.

Julian
