

# Newbury and District Organists' Association

## Bursary Scheme

Newbury and District Organists' Association is offering bursaries to selected applicants of any age who have had some previous keyboard experience.

Those who have already had introductory lessons are eligible subject to their application being supported by their teacher.

Lessons will be with a qualified NDOA organist and will initially comprise a set of 10 lessons.

Access to a local church or house organ is essential for practice.

Applicants are requested to complete and submit the application form to:
