

**Newbury & District Organists' Association  
Annual General Meeting 2026**

**Membership Secretary's Report for 2025**

There were forty five members in 2025, six less than in 2024. There were six student members, four with gifted membership, and two life members. Eleven members donated a total of £151.94 to our good causes.

The three methods of subscription and donation payment: online, cheque and cash were still available. Those renewing their membership were not required to submit completed membership forms unless there were changes to the information previously provided. Also, gift aid declarations do not have to be renewed each year. The data protection permissions continue to apply to all members.
